# PRESENTS: BLICKPILOTIN

**BLICKPILOTIN** studies the past, present and future to discover and bring to attention the works of women directors, and script writers, editors, camerawomen and actresses in film and cinema culture.

**BLICKPILOTIN** would like to encourage female and male spectators to watch films with a subjective, critical, passionate and courageous eye through an exceptional film voyage, containing different modes of perception.

**BLICKPILOTIN** exhibits images of all kinds, genres, countries, times, of men and women!

**BLICKPILOTIN** offers:

- Film programmes, festivals and tours in various cinemas and film museums
- Filmic endeavours and visual discoveries
- Treasures to notice and familiar films to encounter again in a different way
- International programmes of shorts and videos
- Lectures, conferences and workshops
- Feminist and historical film studies
- Film research and individual advice
- Information and referral service at ongoing film presentations
- International film archive
- Publication of books and documentations

---

Anybody interested in the cinema can become a supporting member of the **BLICKPILOTIN** (= woman controlling what she watches). Donations are greatly appreciated.
